Dear Kathleen;

After watching the immigration program on C-Span, I had to write to you and compliment you in regard to the show.

However, most of all, I would like to express my thoughts on a young man by the name of Dan Stein.

He, was in my opinion, an outstanding speaker! One who got your attention; kept it through out the show. Very intelligent, used a lot of "tact" - very courteous to each and every one who called in, a young man who in my opinion should run for our next president! We my husband & I are old Democrats (from the old school) however this man is a man that even though he is a Republican would be a man who could shoulder the problems of U.S.

and for sure, he the best person to lead our nation.

Mr. Stein is a competent, strong, well qualified, capable refined, well polished young man, who is an excellent speaker and appears to have an abundance of knowledge concerning the immigration issue.

C-span is an excellent program and many of our friends, do so very much enjoy it.

Hoping so much to have the privilege to listen to remarks by Daniel A. Stein soon - for he is a person who, people look forward to listening to.

Once again the immigration problem is something every one should contribute to and we do thank you, Mr. Brown for being the show's producer - on C-span,
Sincerely -

Scraper, P.A. 15701
