Dear Sir -

I am so grateful for all that C-Span
has done this year in reporting the plight ^{War}
of the men - POW's or MIA's - in the Vietnam
your Vietnam- Revisited and the Select
Committee on POW-MIA Affairs was so
informative -

My husband has been missing since Jan 1970
over Laos - In nearly 23 years I have heard
nothing - Until Saturday, Nov. 7th - When I
was notified a recovery team had gone to his crash
site.

Thanks for keeping this issue before the American
people with your reporting -

Sincerely,

██████████
