Dear Brian Lamb —

Has it previously occurred to you that
you might consider a C-SPAN 3 — a
C-SPAN cable service that would give
us unsullied, unpolluted, intelligent,
UNINTERRUPTED NEWS ???

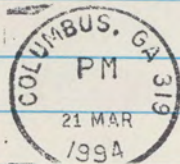

The more that I watch television, the
more insulted & impatient I become
being subjected to the interruptions
caused by the presentation of ineane,
inappropriate commercials. Is there
no way else we can receive news.

Your services, so far, are so superior to
anything else on TV. And I thank
you for what you are already doing.

Sincerely —

[REDACTED]
P.S.

I am a retired university professor age 67 —
