

Yn. Liberal Lamb,

April 1, 1994

This Sat. day of journalistic groundable
quests, topped all your previous biased days.
Thank god the week of C. Spun Liberal, biased
coverage of U.S. News & World Reports is over.

Of course being a Liberal yourself & big wing
of C. Spun you will not have the opposite for a
week of some media that it is now. Liberal is
your guests.

Steven Roberts, Michael Sankov & the worst
of all feminist, radical Liberal Gloria Bengon,
the Dionna Christ of their paper, was hypocritical
to say the least.

But Yn. Lamb, we will not get an election as
to your selection of your Liberal friends. Come '94
& '96 election ~~not~~ informed, not brain washed by
Liberal controlled media will remove these people
from office. (Politicians)

The other sickening person on your weekly
biased program was the man Tucker was, without
a doubt a friend of yours & surely a P.O.B.

Finally, White Water - If the truth even
comes to the working stiff public it will make
Watergate & Pres. Nixon look like a Lamb. (No pun
intended)

Sincerely

P.S. Let you don't respond.
