

12/3/86
Re this AM's show, which
might be called The Prof.
Tyson program, because
Connie, as usual, has
lost control - The Prof.
goes on & on & on -
I've never heard such
whining - Lord, I'd hate
to be a student in one
of his classes. The point
being - why can't your
hosts tell these guests
to keep their answers
brief - These people
have been on 1 hour &
we've had 3 phone calls,
because Tyson keeps
filibustering and Connie
keeps asking stupid
questions -
