12-20-90

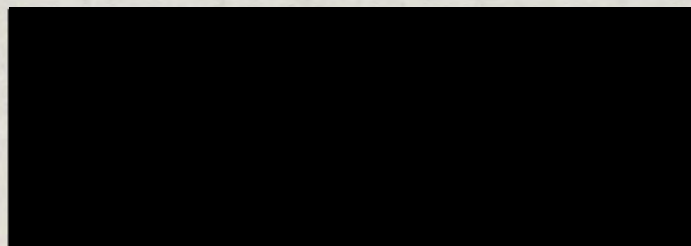

Have been watching
the proceedings in the
past two weeks of the
Senate Ethics Committee
and I feel so pleased to
have had that privi-
lege, thanks to C-SPAN.

I am so grateful to
be able to see, live, the
workings of our govern-
ment, again thanks to
C-SPAN.

Please keep up the
good work and I

will forever be a very
grateful fan of CSPAN
