Dear Mr. Lamb:

Thank you for sponsoring the Close Up Foundation C-Span Program "C-U At Home". [REDACTED] was selected to participate in the symposium "Nationalism in Eastern Europe." On behalf of the Murray City Youth Government, I wish to express my sincere appreciation for being selected as a site for a teleconference.

Thanks for the support and encouragement. It means a great deal to our program. We had 60+ students attend the local preprogram and teleconference. Many students had questions they did not get to ask!

The world-view these students are experiencing on a daily basis, via satellite, has surely made a difference in their attitudes and sense of "oneness" and solidarity in the world. The one-on-one aspect of the teleconference makes the world seem less scary and a great deal more personal.

Sincerely,

[REDACTED]
