Dear Mr. Lamb:

In the last thirty years badgering and bias has been the practice when interviewing political persons. The bifold result has been public distrust of the interview process and misinformation about those being interviewed.

Your interview with Ross Perot last weekend represented a direction toward informing through non-biased questions. Thank you for providing this opportunity to the public.

Please continue this objective interview process so that I can encourage others to watch C-SPAN. Those interviewed and the viewing public deserve no less.

Sincerely,
