

Dear Brian Laub -

I've started - finished -
read and never sent so
many communications to you
but today Monday 11 Jan-'99
Can't resist - Charles Reese?
from Florida - What an
unpleasant time - But I
must tell you your body
language and the disgust in
your eyes & tight lips (slightly
white) spoke volumes - Am I
correct that you could hardly wait
for his time to turn out? Me too!
