

your lovely Libs. are most dishonest & are one for
Don Johnson is the most far
left bigoted racist & of
course, he's Wash. Jr's Guest
Host. What else!! Wash.
Jr. is a disgrace. Don Johnson
has read every anti Repub.
thing he can find. He's
cut off every Repub. who's
anti Clinton - he's questioning
all the people who were pro
Clinton, to give them a choice
to talk on & on. The man who
called in for the 5 Repubs. is
a total idiot. I don't believe
he's a Repub. If he is,
where are his morals - with
the Liberals, of course - very
low. Boy, the more I listen, I
realize how uneducated they are.
They speak terrible grammar. What
have the teachers been doing
all these years. They have been
dumbing down the kids. I'm glad
I got an excellent education in the
Public Schools, I got an excellent
in Pub. Schools.
