Dear Mr. Murphy:

This year's historic gay/lesbian march on Washington came at a time when the US is reassessing its attitudes and opinions concerning gay and lesbian Americans. As gay/lesbian issues will be at the forefront of public discussion in the coming months and years, it was especially foresightful of your news organization to cover the Washington march with such astuteness and thoroughness. I very much appreciated the opportunity to watch extensive live coverage of the events in Washington on C-SPAN.

Thanks for your excellent programming and for your keen awareness of issues that will prove central to our national discourse. I look forward to continued coverage of gay/lesbian events and issues on C-SPAN.

Sincerely yours,
