Dear C-Span Folks -

00-594 MAY 14 1993

I recently received a nice booklet  
'All About C-SPAN'; I assume  
it must have arrived in response  
to one of the many letters I am  
want to write. It contains important  
scheduling information among other  
items. And that is where my question  
comes in:

On the last page I find the listing  
of the On-Air Schedule updates for C-Span  
throughout each day. I have already  
put this information to good use.  
But how about C-SPAN II?  
When do their Schedule update take

2.

place? Also, for the first time, this afternoon I was looking for the promised on screen messages one quarter before the hour, and there was nothing on either I or II, (Monday 5/10/93 4:45 pm). I have, of course seen these on-screen messages but was unaware of their scheduling (which did not work this afternoon),

I am a C-Span Junkie and would appreciate this information. Incidentally, I think a special award needs to be created for Brian Lamb. He is outstanding as an interviewer. Does he really read a book a week for Booknotes?

Sincerely,
