

Dec 13/98

To the House of Representatives
and the Senate:!

Oconomowoc, WI 53066-3746

My husband and I can't express
into words how partisan your Committee
has been. - Concerning President Clinton
we are sorely disappointed at
Henry Hyde and the Republican Vote,
It certainly appears to us and by
our Milwaukee Journal that the
President is being railroaded by
these people.

O. Impeach

It has been a comedy of errors
at our expense. Just to get the
President! It is none of their
business as it is personal with
his own family and God.

Please stop this nonsense
and go back to passing important
bills that need your attention!!
You who are without sin "Cast the
first stone! Let it!!!

Sincerely,

Blue Jay
John Cornacchio
