I turned
this a.m.

the program had al-
ready begun.

The topic of discussion,
I think, was from
Peoples Magazine - "Grace
Under Fire" - Concerning
Chelsea Clinton.

The discussion was
was with Karen Foster
The Baltimore Sun.

I did not realize that
one had to have the
magazine on hand.

It was being displayed

Mr. 2-5-'99

Dear Brian Lamb,

When I turned on my T.V. this a.m., the program had already begun.

The topic of discussion, I think, was from Peoples Magazine - "Grace Under Fire" - concerning Chelsea Clinton.

The discussion was with Karen Hosler
The Baltimore Sun.

I did not realize that one had to have the magazine on hand.

It was being displayed on the computer or web-site.

I do apologize to you, ~~and~~ anyone viewing your program and Karen

Hosler.

When I reached you,
you asked me from
what article that
I had been reading.

I replied, Peoples
Magazine.

You said that Peoples
Magazine had not been
released yet. I in turn,
said that we get our
magazines early in New
Bern.

I told a lie!

I called Books - a
Million and the employees
told me that they
would have it in
on Monday, p.m.

I told her what I
had done ^{on C-span} and she put my

for one
down, as I was the
first one to call for
the magazine.

I love your program.
Are the magazines, etc.,
released to the web-site,
first?

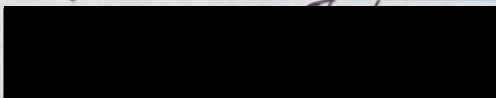

I have dystonia
and write with ~~two~~ hands.
I am a graduate of
C. C. V. with 2 teaching
degrees.

My son, Jeff is at
N.C. State Univ. in
Raleigh and my other
son, Brian, is at N.C. State
Univ. but left on 10/5/98
to go to Japan and
is at Nagoya Univ.
studying the culture of Japan
and the language of Japan.
He will return home in Aug. 99.

Jeff will be teaching
High School mathematics
and is doing his observation
at Millbrook H.S. in Raleigh.

Trivial!
But imp.
to me.

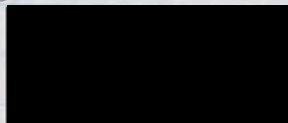

Sincerely,

Have a
nice day!

Conservative!

P.S. I've been looking for
your address since your
program ended this a.m.
I've got it now.
Had to ^{call} D.C. to get it.
My nose is big enough!
Didn't Thanks
want it
to get any
