Dear Sir or Madam, HI

First let me say that I enjoy your station very much. I have learned alot by watching it. THANK YOU.

The reason I am writing is that I am a short-wave radio hobbyist. I have been since I was 15 years old. (I am now 35). I recently received a program schedule from Radio Deutsche Welle in Cologne, West Germany. It had an article about C-Span putting on international radio broadcasts over your station. I have enclosed the article. Could you tell me if this is true and also how I could hear them. I think it is very exciting and could possibly get more people interested in this exciting hobby. I have gotten so many wonderful friends all over the world this way.

If there is anything I could do to help,
please let me know.

Thank you again for the great
programs, and looking forward to hearing
from you.

Your Fan,
