Mr. Brian Lomb *nice*

C-span
400 North Capital Street
Washington, D.C. 20001

Dear Mr. Lomb,

I love C-span and
you! Thanks so much
for all the information you
and C-span are bringing
to the people.

I am concerned since
I read that you and
C-span will be dropped.
What is this all about?
Will this be in the Savannah
area, and if so, what can
I do to help keep you on?

If it is not so, please

- 2 -

let me know; and let
me know what I can
do to get C-span II on
in this area - I have
already written my station
requesting C-span II, but no
reply -

By the way, I
really get sick seeing
Bill Clinton on everyday,
every hour - And the O.J.
Simpson coverage was too
much on the entire set.

Keep up the good
work in keeping us informed.

Sincerely -
