Dear CSPAN Representative:

I have been watching your recording of the Hearing on Train Derailments and Hazardous Cargo. These hearings took place on 7/31/91 and 10/3/91. The hearings were conducted by the House Government Operations Subcommittee on Transportation chaired by Rep. Barbara Boxer.

I would like to know if you sell written transcripts or video tapes of the hearings. Are there going to be more hearings on this subject? Please let me know the cost of transcripts or video tapes if they are available. Thank you.

Sincerely,

Rail Development Manager  
Rail and Water Division
