Dear Brian: <sup>11:55:45 AUG 25 1993</sup>

Re: "Interview with Mr. Perot 8/19."

You and the C-Span employees did an outstanding job on Aug. 19, 1993 with the interview with Mr. Perot, please keep up the excellent work you and the C-Span team does. I hope you will plan more shows like this one.

1) Also, Brian, when talking about N.A.F.T.A., ask Representatives & Senators how legal it is, please. The Constitution of the United States in Article I Section 8 #1 has provided us with "Tariffs" - so "free trade" therefore is, Unconstitutional.

2) Trans-National Lawyers - "Foreign Lobbyists" - Article IV Section 4 - "Republican form of Gov't. to protect each state from Invasion." & In Short.

The "New World Army" is using 'CASH' now weapons. Therefore the above people are doing a job Unconstitutional and taking our Companies & jobs (Tax base) away.

Please use the above 2 "Articles soon" to show how wrong 'free trade' is.

Thanks again for a great job well done by you and your team mates

Sincerely
