Dear Luis:

Please or better please
let me know how I can call into
your Keweenaw Call-in Programs.

When I dial, I get a busy
signal. Does this mean I should
start calling an hour before
and wait on the line? or maybe
the night before?

If by some miracle, I get
through, at what point am I
charged for the call, when I
actually get on air or before?

Thank you
