To Whom It May Concern;

I have written quite a few letters to Congress-men, concerning, my-self and millions of other people in the united states, i have been banned, from every Air-line's, i have been banned from every Mall, where people shop, and go into restaurant's, for-instance Solano Mall, in Fairfield, Ca. , and Sun Valley Mall, in Concord, Ca. My Constitutional Right's as a American Citizen has been Violated, because i'am a smoker!

Cigarettes, don't cause pollution, in rivers, or lakes, even in Milwaukee, Wis. they had to close the water plant, because of lake erie, is contaminated, also in the Greater Los Angeles, Ca. the Smog in that whole area is so bad, the local law, and health authorities, warned people who live in that whole area to remain in-doors, keep doors closed, and window's closed, because that smog, is so bad it makes your eyes run, like crying! You could get sick. Cigarettes don't cause that, how about oil spills, pollution the Oceans, lakes, rivers, like i mentioned, before, cigarettes don't cause that! The big factories, in this nation, are polluting this country, like Westinghouse, General Motors, Ford Motor company, Logging Industry, Etc. i could go on, but i have told you the truth,

The President's have blamed the Tobacco Corporation's for quite along time, every-one should where the blame should

fall on is the other industries, in which i have mentioned;

I want my constitutional right as a american citizen, restored, i'am 53 years old, spent eighteen years in the Nursing Profession, as a Certified Nurses Assistant, in the State of California!

What are you going to do to restore my Constitutional right's, as a smoker, i don't enjoy doing very much, but since i have been banned, from going any-where, i just stay at home!

Sincerely,

Vallejo, Ca. 94590
