Dear Mr. Harris -

Congratulations - both
to you and to C-span -

I have just viewed
the best, most informative,
and most objective overview
of Ireland's problems and
Irish politics ever presented
by the American media -

As a professor who
has taught in both Ireland
and the U.S.A., I found
virtually nothing to criticize -
and, considering the time con-
straints, little that I would add -

Perhaps the absence of
the Irish TIMES, Ireland's most
prestigious opinion-maker, was
somewhat troublesome; and
the Sinn Féin-I.R.A. view was rather
ignored — but what was put
forward was so very good, it would
be hypocritical to complain —

It would, of course, been
gratifying had the election
result been appended — I'll
risk my political prophet repute
to suggest that Fianna Fáil will
survive with perhaps some support
from the PDs and Independents —
Go Raibh míle maith agat —

Jim Brennan
