Fr. John Catoir

cause his love shines forth from every heart.

God asks that we love one another. If we want to create a happy family here on earth, we can begin by deepening our awareness of the things of heaven. We won't attain celestial bliss in this life, but we can increase our chances for human happiness.

Father Catoir is director of the Christophers. For a free copy of the Christopher News Notes, "Little Things," send a stamped, self-addressed envelope to The Christophers, 12 East 48 Street, New York, New York 10017.
