

Dear Mr. Lamb,

I am a person who used to speak with you at Sergeant Pepper's eating establishment and I need your help before I literally become homeless. I am the short very round guy with glasses who would run into you on Sunday mornings and some evenings.

We spoke on a Sunday about the costs of buying several Sunday papers & I talked in the evening about my having to move with my cat due to developers.

Well I did move, I wanted a slightly cheaper place with ~~less~~ utilities included. My cat unfortunately passed away. Also my dad passed away & my mom had a bed fall but went back home after 2 or 3 months.

Anyway I work at ~~my~~ ^{the} newspaper clipping service I've mentioned. Our overtime has been taken away faster than they said it would and after they took away our national clip accounts and made us regional & then expected too much from us. ~~A~~ In my case I need a part-time job.

I can do things such as proofreading or going through material as I do at the clipping service and I can probably do miscellaneous other things. I think

of once when I went through a large set of microfilm at a previous company to see which numbers were duplicated & which were missing.

So if you have any ideas about what I can do at E-Span or know someone who can use someone like me part-time at another organization although if it turned out I was wanted somewhere else full time I would consider it -

I was with another company for several years & now have been at the clipping service for over 16 years I believe.

Thank you.

P.S. I have tried to be ~~frugal~~ frugal so I don't go to Sergeant Pepper's at all now but if I did at some point again I would be pleased to run into you in any case.
