Dear C-SPAN,

At the moment I'm watching and hearing Roger Pilon and realize I need to get a copy of the Constitution and study it! I'm concerned about my lack of knowledge on the constitution. I have a bachelors degree plus some graduate hours. I hope that you are planning to have guests who will speak and answer questions on this document.

Also, last year you had a week or two when you showed some outstanding Radio Talk shows. Bob Hardy KMOX ^{St. Louis} and Mike Siegel KING Seattle are the 2 I remember. I hope you'll do this again.

Thank you. When my son got home from work, I was watching C-SPAN & he's laughed & said "Mom's watching C-SPAN again, I think I'll join her." I know I'm learning from C-SPAN programming. I know I need to get a copy of the Constitution.

Thanks
