

4~~8~~ times - 12/21/93 you have had
that piece of scum on C-Span.
Amity Hill passed a lie-detector
test but he wrote a book &
called her a liar.

What a thing for you to play
right before Christmas, another
dirty Republican trick. One
woman told the truth & she said
after listening to him she was
going in the bathroom to throw
up. Shame!!!!!!
on C-Span

playing up a liar.
