

Dear Sir

Why did you have that arrogant
tax specialist on the note of the 13th.
It was obvious he was a flat out
democrat. Can't you find any neutral
people. This has been what has
been great about CSPAN. Also, you
don't put these peoples comment to
the wall like Mr. Jamler does.
I didn't mind the girl from the
Chamber of Commerce because she
represents our retail economy.

Sincerely

P.S.
