Dear Mr. Lamb;

I was scanning the T.V. the other evening, (Mon?) and I stopped at Ch. 33. What a great find! Margaret Thatcher was addressing H.O.P.A.C. and I was glued to ^{the} program! Mrs. Thatcher was so refreshing to listen to with her wisdom & sincerity along with her leadership qualities.

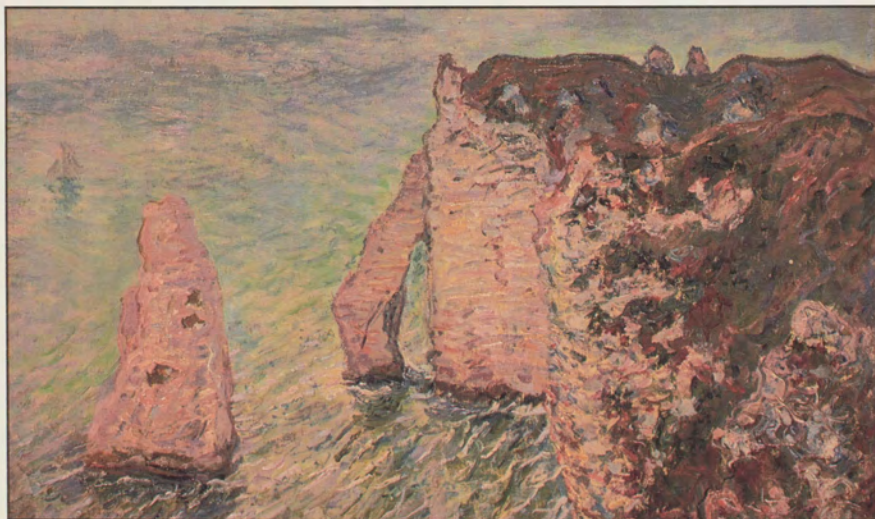

Please air the program again & again!
We sure need it in this country! Sincerely,
