Dear Sir:

Your invitation to Mr. Frohman provided him on 23 March 1992 with a C-SPAN platform from which he could (and did)

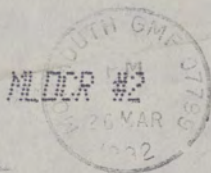

- 1) Portray himself as a heroic martyr on behalf of all art and free speech
- 2) Impute a parallel between Hitler's Nazi regime and Donald Wildmon's Associated Christians.

Are you going to invite Dr. Wildmon to a corresponding opportunity?

Very truly yours,
