You ask for comments. I think
C-Span is marvelous! It is informing
the people (all over the world!) -
real facts, no hype nor propaganda,
no bias nor "pitch" - no plastic
females with artificial claws
and eyelashes, strident voices and
aggressive manners - such as the
networks promote.

Brian is my favorite - and that
gorgeous piano music! Please
tell us the musical selections and
the artists' names.

You are doing a terrific job of
public service. Of course the people
who need most to learn from you
don't watch - but there's always hope.

Sincerely
