C-SPAN:

I would like to know
Why you do not have
Someone from Social
Security on your show
so people can call in to
ask questions. Why
non American get SS Disability
while they aren't even
American where the money
sent to what country?
Why America sick can't
get unless a lawyer get
25%. These question need
answering. Please give the
people the chance to ask the
people who make these determinations.

Are they Doctors.
why we can't sue these
agents. For money these
people pay lawyers for Disability.

Thank you
