Mr. Brian Lamb.

The reason of this letter or a few words is
to say Hello to you & every body on the
program, I wish all the best in your work.

Mr. Lamb I watch your program
every afternoon on channel 13. Some time you
meet adult, some times students asking
questions about the three Candidates, trying to
find out for whom they are going to vote.

The one thing, about your questions is that I
don't like is that, You're trying to make
their decision, let the people make their
own mind, & let them vote for whom ever
they want vote!

I know that C-SPAN & CUNY do not
like our President; Your President.

You all know that, Bill Clinton is a
U.S. Army fugitive, and a person like that is
not eligible to Run the United States of America.

Remember Cassius Clay - Muhammad Ali, he too
refused to go to The Army, and the Law lock
him for five years. Why, Justice don't bother
with Clinton, because Clinton is a white man,
and the boxer is a Black? Analised this
think of this

President. Derge Bush, is the man, to Run, the Nation; —
