

Dr. M. Lamb,
your Presidential series
is very good -

I wrote you before about
the hour trashing of J & K
by Mr. Reeves - which I
couldn't watch totally for this
2nd time around. - I think
I understand why the person
chose Mr. Reeves - you had
mentioned that the Kennedys
weren't as cooperative as they
could have been - So about
the most negative book about
J & K was chosen to highlight
on his segment -

I'm now watching "Susan"
taking calls and I'm happy
that ⁱⁿ the first few callers
there were at least 3-4 more
callers who said that John
Kennedy was the most effective
president - in their opinion.

So it was great that
the "trashing" didn't
affect these person's positive
opinion of J & K. The very
imperfect president as
so many other men were.

I watched as many
of the series ^{segments} as I could &
the second time around
and tried to catch those
I missed.

all in all the series
was great - and I learned
a lot about all the presidents
their good & bad points -
Thank you -
