

P.S. I miss the
C-SPAN Update!!

evening

Dear C-SPAN, "Northern Ireland"

I expected to see more "red heads" with freckles. Only in America!

Your presentation was the most comprehensive report on Northern Ireland I've ever seen. Bar none! Excellent! A fine birthday present too (47 yrs today).

I know who represents Sinn Fein in the U.S.A.! I think they get alot of American support. Who represents the Scots/Irish Protestants... (a huge part of that 40 million)?? They seem to be the true silent majority among American Irish...should I say American ~~XXXX~~ Scots/Irish. Their heritage goes back to the late 1600's in America. Except for our Country & Folk music they seem neglected by everyone. Sincerely,
