

When Mandela addresses congress tell
Mr Foley to take down the American
flag + replace it with the
communist flag. It will make
Mandela a communist very happy.

- Tell congress might as well
go all the way + please
Mandela + make him happy.

If Mandela takes over S Africa
- He will first nationalize the
MINES + banks then the big
corporations - then the big
private businesses + then everything
else + then when America won't
be able to get it's strategic
minerals - think of this letter
when it will be too late. Now

don't forget to display the
communist flag for Mandela!

Please give copies of this letter
to all the senators + congressmen!
+ all the major newspapers + to stations!

FOR 30 yrs the American govt. refused to talk to the ANC because the ANC were branded a terrorist & communist organization. Now MADIBHA is going to address the congress. Mandela is still a communist & has hoodwinked the world with his communist psycho. When the whole of eastern Europe is turning to democracy & privatization & a free market economy - Mandela is moving backwards & keeps talking about nationalization. He is still thinking 30 yrs ago. Has the congress forgot Mandela wrote a book on communism. Ask Mandela why does he display the communist flag at every rally. Why does Joe Slovo - head of the South African communist party - attends every ANC executive meeting & makes policies for the ANC. Mandelas first speech he made in Cape Town was written to play on the subconcious minds of the uneducated masses - use communist psycho on them. When he said I am the humble servant of the ANC - A LIE! HE IS THE ANC - HE WANTS the masses to be the servants of the ANC. HE WANTS UNING to the masses & the world that "DE KLERK HAS DONE NOTHING" & the S. African govt nationalized certain sectors of the economy. I am a black S. African. It is human nature for the smart to rule the dumb. I would share power with the whites with no apartheid than have a black dictator like the rest of Africa - One man, one vote, one time then one phup takes over & destroys the economy. Mandela is already acting as if he was the president of S. Africa - Who elected him president? He already wants to destroy the economy of S Africa. Nationalizing has never succeeded anywhere - ask the communist? Why has the ANC never announced what kind of party they are - Why? because they are communist. Ask Mandela what he is? When the whole of eastern Europe has torn the communist flag - why does Mandela still display the communist flag? Mandela said Gorbachev is the only leader in the world he admires - WHY? It is your duty to expose the truth about MADIBHA & the ANC or don't tell me he has the US congress HOODWINKED like the uneducated MASSES! PLEASE SEND COPIES TO EVERY SENATOR & CONGRESSMAN & LIFT ALL SANCTIONS.

MANDALA HINT HOO'DINKED THE WORLD WITH HIS COMMUNIST PSYCHO + LIES - PLEASE TELL THE WORLD THE TRUTH + LIFT ALL SANCTIONS NOW!

Please send copies to MANDALA + the ANC EXECUTIVE Committee.
On THURSDAY MAY 3 Russia announced it will air Christian religious programs on Russian TV - THAT'S MIND Boggling. On SAT April 28 Mandela said in an interview that GORBICHOV (AN ATHEIST) was the only leader that he admired because GORBICHOV had the courage to admit that the strategy (OBSOLETE, COMMUNIST, NATIONALIZING POLICIES) he followed all his life had major defects in it. In other words GORBICHOV had the balls to admit communism was a failure & that is why he is moving towards privatization. If the ANC admires Gorbicov so much then why don't the ANC admit (like Gorbicov) that their 40 yr. old obsolete strategy of armed struggle, socialist policies, nationalizing talk & giving false hope of wealth to the ignorant masses & playing on their sub-conscience mind is out dated.

On Sunday May 6th Bishop Tutu said on TV that the 3 days of meeting with DE KLERK was "MIND Boggling" & he THANKED GOD that now there was hope for peaceful negotiations & MANDALA has been saying DE KLERK HAS "DONE NOTHING". DE KLERK HAS JUST SHOT VERWOED + MARAN IN THEIR GRAVES! ON MANDALA'S BIRTHDAY he chastised the British Prime MINISTER & what did MAGGIE BABY tell him diplomatically "Go back where you came from & work towards the peaceful ending of apartheid & don't tell me what to do & when to go to S. Africa". Please learn not to make idiotic statements & lying to the world Mr MANDALA. * "NATIONALIZING" is when a govt. takes over private industry forcibly against the wishes of its private owners in the name of the people & ^{LIKE THE ANC WANTS TO DO AND GIVE FALSE POWER TO THE UNEDUCATED MASSES!} the ANC & MANDALA are lying to the world & ignorant masses that the S. African govt. has nationalized a certain sector of the S. African economy. THE S. African govt in its 300 yr HISTORY has never taken over a privately owned company. THE SECTORS of the economy the S. African govt runs is ISCOR, ^{ESKOM} ALUMINUM, SASOL, S. African railways & AIRWAYS, the HARBORS & AIRPORTS. THERE SECTORS of the economy the S. African govt did not nationalize but set up because private industry could not afford to set up these sectors of the economy. It took massive venture capital (BILLIONS + BILLIONS OF POUNDS) to set up these sectors of the economy which have never run profitably & that is why the S. African govt. is now going to privatize all these sectors of the economy so that ^{THE GOVT CAN} can be run profitably & COLLECT TAXES FROM THEM!
