

Dear C-Span

15 Jan 98

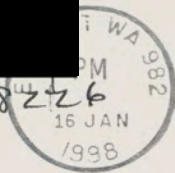

I was about to write
to let you know That C-Span
has been denying Bellingham
Washington Booknotes when
I tuned in to learn that
we are being denied C-Span
altogether. I've written
a letter to the Editor of
the Bellingham Herald, but
without pressure from
many sources, including you,
I do not know how to
have the only channel on TV
I watch, returned.

Thanks for listening—
