Dear Brian,

Belated thanks for speaking at the  
WNDC on the 9th. The feedback from  
members has been excellent.

As promised, I'm enclosing the VP  
cufflinks that Hubert Humphrey gave me  
after I worked on his 1968 campaign. Not  
wearing French cuffs, they were never  
used by me and so I give them to  
you.

Also enclosed is a book on

Democratic women, produced by the  
club which I think you will enjoy, if  
you have time to read it after all  
your required reading.

This C-span junkie enjoyed meeting  
you and talking with you at lunch.

Sincerely,

January 23, 2001
