

Dec 23, 1993

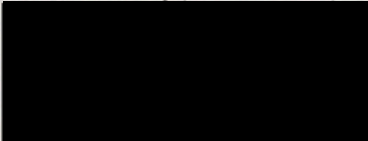

C-SPAN
400 N. Capital St NW
Washington DC

C-SPAN IS NOW KING OF THE TABLOIDS!!!

The five or six hours that C-Span devoted to the story about the 2 security guards and President Clinton on December 21 was OVERKILL!! Did nothing else happen in Washington that day?

Please don't turn into a gossip channel.

Sincerely,

A solid black rectangular redaction box covering the signature of the sender.
