Dear Mr. Lamb:

We enjoy your stimulating <sup>7/8</sup>progras, especially those with your incisive questions and answers from experts, and the call-ins. Nice piece in the Digest, too.

I am 75 and a retired editor. I feel that all the problems we see on Pg 1 every day are not the most critical to our nation's future. I believe our No. 1 problem is: we have lost our Spiritual way and have become from sea to shining sea a moral wasteland!!!

We have forgotten the words on the dollar bill: **A NEW ORDER FOR THE AGES.** We have become desensitized to evil/sin. Truth is now relative. The courts have isolated God from public life and we are seeing the bitter fruits on all sides!!! We must get back to the moral precepts of our Judeo-Christian founders or we are done!!!

Have you ever discussed this on any program? With experts, of course. Can you not do so? Millions of Americans are fearful and where are the main line churches in this?

I stand with TJ who said: **"I TREMBLE FOR MY COUNTRY WHEN I REFLECT THAT GOD IS JUST AND THAT HIS JUSTICE CANNOT SLEEP FOREVER"**!

Mr. Bush must do as Lincoln did in 1863: call for a national confession of sins and ask God's forgiveness. What would this world do without our help--or someone to blame!

If you have explored this critical problem, Mr. Lamb, I would like a transcript. Thank you for advising and for your major service to our country.

(In reply pls refer to the subject)

Sincerely,
