I saw a fragment of a TV announcement that you were offering a U S Congress Handbook. Unfortunately, it was shown so quickly that I could not write down the details and cost of the offer. Could you send them to me?

Also a suggestion: give people time to get paper and write down the directions on your offers, or at least tell ahead of time that you are going to put such an offer on the screen. After all, we do not sit there with pen and paper at hand.
