

3/20/94

Dear Brian Lamb:

I didn't need to read the very interesting article in the NEW YORKER to find out how great your C-SPAN is. I've known for a long time and appreciate it every day.

What I am wondering is if you have any system for selling copies of that wonderful black/white picture of the Capitol. I want to buy one!

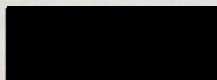

Just keep on doing what you're doing.

Sincerely

Beth Edwards
