Dear C-Span & Mr. Lamb

After hitting REDIAL 50+ times I gave up and just listened and watched W T this A.M. (I'd love to be a guest!!!)

It is not a big deal, but enclosed is an example of what is too often overlooked. Especially by a Chris Mathews or Jeffery Rosen.

Rep. Schumer repeatedly mentioned the "lame duck" effect. I did not vote for Ms. Baldwin but I like her attitude on this serious matter.

Retired, waiting until after the holidays to join the "snowbirds" in Florida, I watched every minute of the hearings and more! o.w)

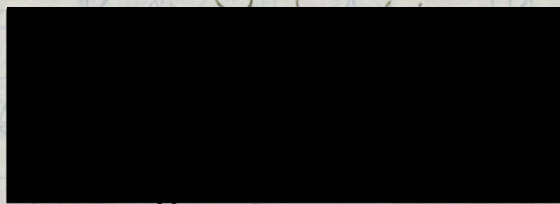

It will be too late (I hope) when you receive this but I had to send it.

I have great respect for C-Span and
especially Brian.

Thank God, Ms. Waters will
never represent my district. She
more than many, many Americans should
realize — nothing happens until
it gets out-of-Wmillee!

God Bless America,
Sincerely,

Monroe, WI 53566
