Ste 650  
Washington, DC 20001

Dear Sir:

C-Span is my *favorite* network.

However, I was disappointed that Ross Perot's testimony before Congress on 24 March, on the North American Free Trade Agreement (NAFTA), was not shown.

Please air this most significant testimony. I think you *really* erred in not alerting the American Public to this insidious treaty.

Yours truly,
