Jan. 25 - 79,
"To whom it may concern
I watch your program.
I can never get through
to you on the phone. Starr +
Hyde are hypocrite's. They
both should be impeached.
Hyde broke one of the ten
Commandment's. He committed
adultery. Had a child by the
affair. Isn't Hyde, who
said it time to love the
sinner? When he went to
bat for his friend Dan Crane.
Clinton should be acquitted.
They should leave the
President alone. We are sick
of the Republicans and there
Circus. How did Hyde get so
much power? He is trying
to be God, the sinner. In
1983 Hyde plead for Rep. Dan Crane.

Hyde said, he is embarrassed, he is humiliated, he is disgraced. Every shred of dignity will be stripped away from Dan Crane. I think it's time to love the sinner. Dan Crane engaged in an illicit sexual relationship with a 17 yr. old girl, a Congressional page. Henry Hyde favorite saying, rule of the law, his law. Hyde is trying to run the Country. What sex was the Child he fathered? The hypocrite. Enclose are newspaper clipping's from a paper.
