C-span 155  
400 Capital St. N.W.  
Washington D.C. 20001

Gentlemen

I watch C-span because the  
programmes are informative,  
and interesting. Also enjoy the  
variety of topics.

just been a few months since  
I been able to get the station.  
I particular like the program  
where people phone in their  
questions on various topics.

Very truly yours.
