Brian,

I think you are the kind of a man that would kick a man when he was down.

You bring these two men on you show to promote their book The Year of the Rat. You knew that they were against President Clinton.

Also I got to C Span one morning I was going to talk about Schools. I guess the Ardial wasn't good enough for the lady there. I was going to say. They have taken the Spelling books out of the Schools The Reading books the penmanship and Jones. There isn't much left. But I never got on. I was cut off. J.W.

I got up at 5:30 in the morning to watch but I got better things to do

Also in the last President Election I couldn't find anything but Liz Dale Finley Hillary Clinton was going to be on C ^{Span} They gave her 1/2 hour and all the while this radio man kept saying I have to flip this and that. You people gave her 15 minutes out of the half hour.
