Dear Brian Lamb
c/o C-SPANN

You know its very interesting at the various journalist
you have on your CALL IN program.

I am a DOUBLE AMPUTEE and enjoy your Program...but your
media journalists are very BIASED when it comes to Ross
Perot, our NEXT President. You can bank on that fact.

Margaret Carlson is probably a member of ACLU since she
is one of those liberal attorneys. She tries to spit out
untruths garbage in her comments about Ross Perot when
you, Brian, interviewed Mr. Perot in his Dallas office prior to
her being on and you NEVER corrected her.

She thinks the public is stupid but we are NOT. Ross is the
ONLY candidate saying he will tackle the defecit and debt.

You can bet Ross Perot has positions but its' not being
reported honestly by the PRESS so he will be best served avoiding
the standard norm.

I hope you give this letter to Ms. Carlson so she knows that
myself and my friends have a message for her, GET ready for the
Ross Perot victory in November. I have predicted WINNERS since
1968.

Have a splendid day my friend.

A regular viewer of C-SPANN

P.S. I'll not sign my name so those blowharts won't bother me, the
liberal media who is biased like Ms. Carlson.
