C-SPAN
Washington, DC

I really enjoy C-SPAN and I've learned alot about our government! I watch the House and all our Representatives and I've come to the Conclusion that they Don't Work for the People of the United States! They Lie to us to get the Votes! They Don't give a Hoot about anyone but Special Interest! Foreign Country's come first, China, Japan, Russia, ect. These People show us in their acts in the House they spend more time Kissing each others butts on the floor and Never help us U.S. Citizen's! China gets number 1 Trade Statis for their Human Rights and they Flood our country with their cheap Junk, while putting our people out of Bussiness! We should Stop Trade with China!

Japan is another Joke! We can not buy property in their country, we can not sell anything to them and they want us to get rid of our guns, but they want to Build a Navy! I Thought we Beat them in World War 2 ! Yet we take their Orders!

Russia is another Joke! We Lost Thousands of Jobs and Our People are Starving yet we Give them Billions!

Lets Not forget NAFTA and the Game thats being Played on us! The Major Company's have Already Build the Factory's in Mexico and their Already Pumping their Toxic Waste into the Rivers! I'm not sure on their wages but its around \$4.00 aday! Whats going to happen to the jobs here?

I Fought in Vietnam in 67,68,69 and I Din't go there for this Bull!

We are slowly being Killed in California by our own Representatives! Water's, Boxer, and of course Feinstein!

Water's Amendment?, 100 Dollars for Clean Grooming! Cut it Out! Get Rid of Her and Her Trash!

Boxer, what a #\$\$^&* this Woman taught all the other Women its OK to Write Bad Checks and Not Pay for it! If My Wife did that she would be in Jail! Thats a Fact!

Feinstien, She want once to Build a New Statium in San Francisco and even had the spot all Picked out and all they had to do was buy the land, Guess Who Owned it? Her Husband! And lets Not Forget when she Changed the Constitution, and made Guns Illegal! She had these People Turn in their Guns and Gave them a Reciept! Well when the Law Overtured Her Joke and the People went back to get their Guns they were told that the Guns had been Destroyed!

These three Women were Only Elected because their Women!

These Representative's Only Work for Special Interest and Should Pay Like All the Rest of us for our Mistakes!

I'm Tired of Giving My All for a Country that Care's More for Other Country's!

The Law Makers seem to think that we work for them and I want them to know , I Want My Country Back!

Let Europe Fight their Own Wars!

Stop NAFTA, Now!

Stop All Trade with Japan, China!

Close the Borders!
