Dear C-Span,

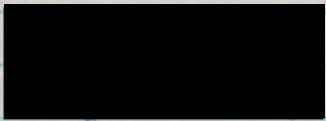

I am writing to you about your program I saw Sat. April 18 about the upcoming court case in Pennsylvania involving abortion.

I strongly feel that abortion should be legal without restriction. By restriction, I mean to include any consent, notification, delay in access or any other restriction dreamed up by those wanting abortion illegal.

I do feel that after a certain time period, abortion should not be allowed except for certain medical reasons ie health to the mother, or congenital defects. In the beginning trimester abortion must be legal for all.

Please count me on the pro-choice side of your tabulations when you count up the responses to the program.

Sincerely,

La Fayette, CA

P.S. Thank you for your objective reporting ~~repe~~ showing both sides of the argument.
