Gentlemen:

I am retired since November 1985
and am an avid C-Span and C-Span 2
watcher.

I also read every paper I can get my
hands, in addition to Periodicals and maga-
zines, in particular where politics are
concerned.

Thus I can be classified an
informed citizen with all thought processes
in good order and am qualified to respond
or react with good reasoning power on most
subjects.

My concerns are with the path that
C-Span is taking in that there are far more
liberal or left to far left and radical
individuals appearing as guests on various
C-Span programs.

This is absolutely contrary to fair
play and a balanced point of view.

No, I am not a Conservative
nor am I a Republican or a Democrat.
I am an independent, and no I am not
a fan of Perot.

I am however [REDACTED]

[REDACTED] also.

I am not a racist, nor do I belong to the Ku Klux Klan or any other Organization.

In my lifetime, [REDACTED]
[REDACTED]
[REDACTED]

Therefore I can speak with a clear and un-muddled conscience that C-Span however you want to disguise it however much you doth protest you are not an impartial news source.

As a matter of fact, something else I have noted is that there has been an overabundance of Jewish Speakers, guests etc on C-Span for the past several years.

No I do not dislike Jews, as a matter of fact there are some I have Admired, Thus I am not biased towards race.

I have however become upset over the types of Guests Speakers and Subjects that tend to make the white Man, a devil and the blacks and Jews

As Models of perfection, honesty and integrity in addition to Righteous morals when quite the Opposite is true.

you have taken valuable Television time and shown lengthy programs on Homosexuals and Lesbians and their lifestyles with intimations that their lifestyles are, "all right". How stupid do you think the American people are?

I for one Choose to tell you in no Uncertain terms that I think your program Directors stink to high Heaven of the far left, and yes with peculiar life styles.

I am going to tell everyone I can of my views of C-Span and yes I will tape your programs to prove my point.

Wake up C-Span you are losing the respect of the American people.

Yours Truly
