

Dear C-Span,

You changed my life.

I am an RN who's decided
to go to Paralegal School, due to
the love I have found late in
life for the law and government.

That love was fostered (no
pun) by C-Span.

Life begins at forty.

Thanks.

We love you C-Span.

Now, if I could just get
my kids interested.

Dear C-Spaw,

You changed my life.

I am an RN who's decided
to go to Paralegal school, due to
the love I have found late in
life for the law and government.

That love was fostered (no
pun) by C-S.

Life beg

Thanks.

We love

Now, if
my kids
